On Monday, April 7, 2008, the Warren County Regional Arts and Culture Center Board of Trustees began notifying 28 area applicants of their invitation to join the WCRACC Advisory Council. Members were chosen from 62 applications, recommended to and also approved by the Warren County Port Authority. The Advisory Council represents a diverse group of community leaders that are committed to the Art Center's Vision from Warren/Butler Counties as well as the Cincinnati/Dayton metro areas. The Advisory Council's primary goal will be to provide plans of action regarding the scope of services a Warren County Regional Arts & Cultural Center should provide the community and region. The Advisory Council's work will be aided with the preliminary results of a soon to be released market feasibility study.

Individuals selected to participate on the Advisory Council will collaborate in a committee setting, report to the Board of Trustees and assist in areas of their expertise and interest. Attached is a list of the individuals chosen for the Advisory Council and represent a geographically diverse group of members from the arts and various other communities.

Any additional comments and/or questions should be forwarded to Kimm Coyner, Member, Board of Trustees, Warren County Regional Arts and Culture Center at (513) 695-2090.
